

CHÂTEAU *Louise*
DE LA VALLIÈRE
THE EXPERIENCES

A COUNTRY GETAWAY

A getaway full of experiences, a stay out of time, a change of scenery... Just like Geroge Sand, who left Paris with her carriages and her household staff, settling in Nohan for four months. In the heart of the Touraine, Louise de La Vallière offers you exactly this exceptional experience.

The Château Louise de la Vallière, a luxury hotel set in the heart of the countryside, offers its guests a completely unique experience: a voyage through the history of France, and the history of the Royal mistresses.

Services provided and suggested program at the Château Louise de La Vallière will be tailor-made for you in a bespoke consultation with our team.

THE CHÂTEAU LOUISE DE LA VALLIÈRE

Set in the heart of the valley of the French Kings, not far from Amboise and Tours, the Château Louise de La Vallière – an exceptional 20 rooms and suites hotel with design and furnishings by master designer Jacques Garcia – offers its guests a real-life immersion in history, and in the history of the Royal mistresses.

Whether you're organising a get-together, launching a new product, running a seminar or a study programme, hosting a Board Meeting, the Château stands ready to welcome you, your clients, and your business partners in the meeting space "Le Vauban". The hotel is an outstanding backdrop for any meeting, a luxury class venue which will leave you with nothing but fond memories.

Elegance and refinement are the order of the day in the enchanting setting of the haute cuisine Amphitryon restaurant. With the assistance of culinary historian Jean Claude Ribaut, our chef offers a homage to the past, inspired by the diverse tastes of the region and elsewhere, but never losing sight of classical French cooking.

Situated at the heart of the main house, in one of the most ancient rooms of the Château, our champagne bar "The Saint-Évremond" is named in homage to the Marquis Charles de Saint-Évremond, creator of the "Order of the Champagne Hillsides" at the court of Louis XIV.

Our wellness spa "La Rosée" is an oasis of all that is gentle. Let yourself be seduced by the scions of cellular cosmetics, Maison Valmont, or the bespoke care protocols of Biologique Recherche.

Dedication, discretion and top-notch service go hand-in-hand with the exceptional quality of our facilities, and combine to deliver a unique experience.
